The Joys of Grenache with Pippa Hayward

Rose and White Wines

Vin Gris de Cigare Rose , Randall Graham, Bonny Doon Vineyards, California

A crisp, fresh and wonderfully easy-drinking Rose wine. Great for year-round enjoyment with all sorts of food. Flavours and aromas of Granny Smith apples, mint, cranberry, strawberry and watermelon. A lovely balance, gentle minerality and an edge of tartness on the long, dry finish.

Jordi Miro Grenache Blanc Terra Alta 2020

A crisp white wine with flavours of citrus, mango and spice. This dry wine is made by the talented winemaker Jordi Miro in northeast Spain, from Garnacha Blanca grapes. Pairs well with seafood or barbecued chicken. Serve chilled and consume while young and fresh.

Cotes du Roussillon Blanc Coume Marie, La Preceptoire 2020

This southern French blend include ripe Grenache Gris and Grenache Blanc grapes from around the village of Maury. Generously flavoured, very full-bodied and savoury, with hints of pear and white peach. Try it with a Paella.

Red Wines

Kililkanon GSM 2020

A blend of Grenache, Syrah and Mourvedre. Founded in the Clare Valley in 1997 by winemaker Kevin Mitchell. Ripe with fresh berry-fruit flavours and a hint of wood smoke and savoury complexity. A brilliant red to pair with grilled meats - a perfect match for a summer barbecue.

Cuevas de Arom As Ladieras Garnacha, Campo de Borja

The 2016 was chosen by Jancis Robinson as her 'Desert Island' red, causing it to fly off the shelves. We are delighted to report that the 2018 is a more than worthy follow-on. Fragrant and classy, offering a more delicate expression of Garnacha, with sweet fruit and fine tannins.

Gigondas, Domaine de la Roubine 2017

A weighty, very full Grenache from the Rhone Spicy, plummy and rich, with no oak influence.
