Mas Amiel Maury Vintage Rouge 2020

16.5% £26.40

Made from 100% pure Grenache Noir. The grapes are sorted, de-stemmed and vinified in the normal way. The alcohol is added while the wine is still in the vat (mutage sur les grains), which slows down the final fermentation, allowing a longer period of maceration and thereby

conferring greater richness. This Maury is ruby with violet tints and the nose eloquently expresses framboise, cherry and crème-de-cassis. It is smooth in the mouth, the red fruits reinforced by bitter chocolate and spice as well as fine tannins. This fleshy, yet refreshing, fruity wine is a perfect match for red fruit, chocolate deserts or just on its own at the end of a meal. Best Wine by members vote
